**I. Work Session Meeting**

**DISCUSSION:** The Board and Groups spoke on their ideas on the design plans for the Rte. 101 S TIP project. They reviewed the plans with the WSE Engineers and discussed plans to incorporate the Rail Trail for future funding for the trail. The Engineers will modify the existing plans so the town can also submit to Mass DOT for Rail Trail funding. The Engineers did state that it would be a tight deadline to arrive at 100% completion of the plans to submit to Mass DOT in the 18 month timeline.

**ACTION:** The Engineers to return a modified plan to the Town for submittal to Arthur Frost at Mass DOT – Rail Trail funding.
